C & CO OF HONOLULU
CITY OF HONOLULU

Written
Testimony

Council membris: I oppose bill 69 as submitted by the mayor. I reside in a condominium that was constructed in 1969, before sprinklers were required by the building code. I feel that it is a betrayal of public trust to rewrite the building codes in 2017 for buildings constructed in 1969. We adhere to all current building codes and regulations set forth by the fire marshal and current C & Co building codes except for sprinklers. Fire sprinklers will not guarantee my, or my family's safety in the event of a fire. Plus they are totally cost prohibited, estimates of 5 to 10 million. Please concentrate your efforts on fire safety. Adherence to present fire codes, inspection of fire hoses, fire extinguishers, escape plans, periodic mandatory fire drills, updated fire alarms, smoke detectors, smoke masks or breathing devices, dry/wet standpipe inspections and tests. Mahalo.
